American Institute of Constructors Constructor Certification Commission

List of Approved Certification Examination Sites

Policy – The Commission will maintain a list of all approved certification examination sites.

Responsibility – National Office Staff

Procedure – There are two categories of certification examination sites. The first are Kryterion Testing Centers and the second are those at educational institutions and other entities approved by the Commission.

Kryterion Testing Centers: Contact the Commission’s National Office Staff for a list of these sites – info@professionalconstructor.org.
