

**American Institute of Constructors**

**Constructor Certification Commission Document No. 24**

**Certificant Agreement**

As (a Certified Associate Constructor or a Certified Professional Constructor) I,  
\_\_\_\_\_ (either provide the name on the agreement or leave a blank and have the  
person print their name) agree to the following condition to retain my certification:

1. Comply with all Constructor Certification Commission Policies and Procedures relevant to my certification designation.
2. Comply with the American Institute of Constructors Code of Conduct contained in Commission Policy 5.7.
  - A Constructor shall have full regard to the public interest in fulfilling his or her responsibilities to the employer or client.
  - A Constructor shall not engage in any deceptive practice, or in any practice which creates an unfair advantage for the Constructor or another.
  - A Constructor shall not maliciously or recklessly injure or attempt to injure, whether directly or indirectly, the professional reputation of others.
  - A Constructor shall ensure that when providing a service which includes advice, such advice shall be fair and unbiased.
  - A Constructor shall not divulge to any person, firm, or company, information of a confidential nature acquired during the course of professional activities.
  - A Constructor shall carry out responsibilities in accordance with current professional practice, so far as it lies within his or her power.
  - A Constructor shall keep informed of new thought and development in the construction process appropriate to the type and level of his or her responsibilities and shall support research and the educational processes associated with the construction profession.
3. Make claims regarding my certification limited to the competencies on which my certification designation is based and notify the Commission within 30 days of its occurrence of any matters that can affect my capability to continue to fulfill the Commission's certification requirements.
4. Not to use the certification in such a manner as to bring the Constructor Certification Commission into dispute, and not to make any statement regarding certification which the Constructor Certification Commission may consider misleading or unauthorized as covered within Policy 4.3 - Use and Surveillance of the CAC and CPC Credential .
5. Discontinue the use of all claims to certification that contains any reference to the Constructor Certification Commission or certification upon suspension or withdrawal of certification, and to return any certificates and wallet cards issued by the Constructor Certification Commission.

I have read and agree to the above conditions.
